THE BUZZZZ

CABLE TV RATES INCREASE

NEMR must raise its **Select Vu TV** rates to \$103.46/mo. beginning January 1, 2020, to offset the never-ending programming increases. The **Local Vu TV** will increase to \$39.50/mo. The **Variety Tier TV** will increase to \$108.76/mo. We must also raise **Cinemax** to \$9.72/mo., **HBO** to \$16.05/mo., **Starz** to \$13.32/mo. and **Showtime** to \$17.32/mo. **Tavern Sports** new price will be \$219.57/mo.

NEMR prices the TV service to just cover costs. We all hate rate increases but they can't be avoided in our video services. Complain to your US Representatives and US Senators that video laws need to change to address these never-ending programming rate increases.
