CONGRATULATIONS!

2021 DIRECTORY PHOTO CONTEST WINNERS

Congratulations to all the photo contest winners! We had so many great photos submitted that we decided to design the directory using several of them. Here is what it will look like and the names of those who's photos were selected: (Top to bottom and left to right) Jamie Rouse, Tasha Eggleston, Lori Fleshman, Kathy Kiddoo, Brian Mayer, Rachel Search, Jennifer Chrisman, Shirley Bair, Erin Tallman, Cole Tippet, and Keith Martin. Northeast Missouri is a beautiful place to live! Can't wait to see what you send in next year!

A MESSAGE FROM THE GENERAL MANAGER

I would like to thank you, our members, for supporting the cooperative this past year. At the end of 2019, the cooperative had invested over \$84 million dollars into our plant to serve our members. 93% of our members are buying broadband services and approximately 95% of our members are connected to fiber optic cable. We were able to complete the fiber projects in Queen City and Martinstown in 2019. NEMR is hoping to finish our last three exchanges, Winigan, Pollock & Lemons by early 2021.

With the pandemic, our services are more crucial than ever. It has been a challenge, but I think our employees have done a great job keeping our customers connected during this unprecedented time. We are following CDC guidelines to protect our employees and our customers. NEMR's mission is to provide high quality communication services at reasonable rates delivered to you by our friendly employees. The cooperative strives to always have a positive impact on our communities and the people we serve.

-Michele Gillespie, General Manager

Do you struggle paying your telephone or internet bill? You may qualify for Lifeline, a federal program that lowers the monthly cost of phone and internet. Eligible customers will get up to \$9.25 toward their bill. You can only use Lifeline for either phone or internet, but not both. You may qualify for a discount based on your income or if you use SNAP, Medicaid, or other programs. To apply for Lifeline or find out if you qualify, visit lifelinesupport.org. If you do receive federal assistance, you will need proof when applying. The Lifeline program is limited to a household, not per person. If you are not able to apply online and would like a paper application, contact NEMR during business hours.

Autumn is many people's favorite season. What's not to love about visiting the local pumpkin patch, going on a hayrack ride, and feeling a bit of chill in the air?

As your local communications provider, NEMR Telecom would love to make your autumn even more awesome. Granted, we don't offer pumpkin spice internet, but we do offer awesome speeds up to 100 Mbps, awesome prices to fit any budget, and awesome employees who are here to help.
