

PIC FREEZE NOTICE

In order to comply with the Missouri Public Service Commission's Chapter 33 requirements, I am notifying Northeast Missouri Rural Telephone Company in writing of my desire to have a PIC freeze added to my telephone service.

This authorizes Northeast Missouri Rural Telephone Company to place a PIC freeze on my telephone number(s) I have listed below. I understand that I will be unable to make a change in my long distance service unless I either lift the PIC freeze or unless I personally notify Northeast Missouri Rural Telephone Company of my intent to change my long distance service. I understand that this PIC freeze helps to protect me from my long distance service being changed without my permission. The request to remove the PIC freeze must be either in writing or by a telephone call placed from my telephone service. I understand that this is a free service.

Name _____

Address _____
Box, Street or RR City State Zip Code
