NEMR Scholarship Winners

Congratulations to NEMR's 2022 Scholarship winners! Pictured above is **Brody Parrish** of Green City and pictured below is **Elijah Carter** of Novinger. Justin Simmons, NEMR's IT Manager, presented each high school senior a \$500 check to further their education in a field related to Telecommunications or Computer Science.

NEMR WELCOMES OUR 2022 SUMMER INTERNS

Quenten Lee of Kirksville attends State Technical College where he is enrolled in the Utility System Technician program. He is very excited about his internship with NEMR this summer. Quenten says "I am looking forward to taking all of the things I have learned in my controlled schooling environment, and actually using them in the field in more challenging conditions."

Hunter Yancy of Luray attends State Technical College. He has completed one year and is excited for the next. Hunter is enrolled in the Utility Systems Technician program and has learned a lot about operating the equipment necessary to be successful in the telecommunications field. Hunter states "I am happy to be interning with NEMR and I look forward to enjoying the hands-on learning experience I will gain this summer. I am also thrilled to be working with a great company."

Returning is **Gracey Gordon** of Green Castle. Gracey recently graduated from North Central Missouri College with her Associates of Arts Degree. This fall, she will attend Truman State University to pursue a degree in Political Science with the hopes of later attending law school. Gracey says "I am excited to come back to such a great place to work! I love serving my community and helping people in the office the best that I can."
