## SMART RURAL COMMUNITY RIBBON CUTTINGS

Unionville

Green City

Novinger

NEMR was recently named a Smart Rural Community (SRC) provider by NTCA-The Rural Broadband Association. As a result of this national recognition, the communities NEMR serves are being celebrated as Smart Rural Communities. In late June and in early July, ribbon cuttings took place in Unionville, Green City, and Novinger. The mayors, city workers, community leaders, county commissioners, business owners, NEMR board of directors, employees, and more were in attendance. Each community received a certificate of recognition and a metal sign with the SRC logo, city name, and the NEMR logo to display. NEMR plans ribbon cuttings in more communities throughout the summer. To learn what it means to be a Smart Rural Community, visit: [nemr.net/smartruralcommunity](http://nemr.net/smartruralcommunity).

## FACEBOOK ACCOUNT HACKED?

All too often you receive a Facebook friend request from someone you already know is your friend. Or, you get a message from a friend informing you that they have received a friend request that you did not send. Getting hacked is frustrating to say the least. Below are some ways to protect your Facebook account. Remember you can report any fake or hacked accounts at [facebook.com/hacked](http://facebook.com/hacked).

- Set up two-factor authentication. Add extra security to receive alerts from unrecognized logins. Both are found in your account's settings page.
- Change your password often and make it long. Create a phrase or sentence. The longer the password, the longer it takes a hacker to crack it.
- Search for your own name on Facebook and see if a second account appears that you did not create. Hackers like to clone accounts by snipping pictures from your account and adding your information. If you find a fake account, report it.
- Never accept a friend request from an unknown person or a friend without verifying the request.

# \$500 DONATION FOR A GREAT SUMMER

Christina DeRyke and Silvia Christen of Green City, receive a check for \$500 to split between two big projects this summer: the annual 4th of July celebration and Friday movie nights held the 3rd Friday of each month on the square. Also pictured, Sarah Rouse, NEMR.

## BABYSITTING INTERNET SAFETY

NEMR's marketing manager got the chance to educate young babysitters on internet safety during Sullivan County Health Department's first ever "Babysitting Basics" course held at the Community Center in Milan.

## SERVICE AWARDS

Michele Gillespie, General Manager, recognized Lori Fleshman and Destry Knupp for their years of service at NEMR.

### PUT NEW INTERNET ON YOUR SHOPPING LIST

Old school classics like notebooks and colored pencils are still around. But new school technology has moved to the head of the class, with most homework now being done on tablets or laptops rather than paper.

To help your student succeed, consider upgrading to an A+ internet plan from NEMR. We offer super-fast speeds and unmatched reliability, so nothing stands in the way of completing homework efficiently!
