The Final Smart Rural Community Presentations

NEMR, a Smart Rural Community Provider, added the final communities to NTCA-The Rural Broadband Association's Smart Rural Communities (SRC) list. Congratulations to Arbela, Luray, Winigan, and Green Castle. Each community received a certificate of recognition and a metal sign with the SRC logo, city name, and the NEMR logo. A Smart Rural Community is broadband-enabled, locally driven, and globally connected. To learn more about what it means to be a Smart Rural Community, visit: nemr.net/smartruralcommunity.
