

Partner With Us in Referrals

\$25 For Them, \$25 For You!

When working with a client, we understand how important it is to direct them to businesses and service providers they can trust. NEMR has served Northeast Missouri for nearly 75 years, bringing our local area cutting edge technology as it emerges.

Today, clients want or need properties with fiber internet. NEMR partnered with Fiber Homes to provide a simple property report, easily printable, from the MLS website. The property report lists all the available internet providers at your listing's address.

Remember, fiber internet can increase the value of your listing by 4.9%! Create you free account at fiberhomes.com.

So, what is the next step?

Have your client complete an application for services at nemr.net. The question at the bottom of the application asks "How did you hear about NEMR?" The client must select "Landlord/Realtor." Next, they must enter your name and phone number. NEMR will contact you and you will receive a \$25 gift card. Your client will receive \$25 off their first bill.

No limits on number of referrals!

Equal opportunity provider and employer.
